IMPORTANT DEFINITIONS: An **artist booth** is defined as a space where the vendor is **actively engaging in live demonstrations of their profession and talents—painting, creating jewelry, sketching, carving, etc.** A **business booth** is defined as a vendor who is retailing an item or service. Though they could be retailing an art-related item, a business booth vendor **is not engaged in demonstrating the actual creation process**. For example, a vendor whose booth features pre-made jewelry and is not engaged in actually making additional product on-site is defined as a business booth.

All booths are 10' x 10'; food booths are 12'x 12'. Food vendors must include a copy of their city permit. Vendors are responsible for taking all related trash to provided receptacles. Failure to keep a clean one's area will seriously jeopardize participation in future Fests.

Policies:

1. All vendors **MUST** provide pop-up style tent with weights to hold it down (no stakes; booths are on the street), tables & chairs.
2. Mail your check, payable to Selby Avenue JazzFest, and this completed form to:
2017 Selby Ave JazzFest
