IMPORTANT VENDOR DEFINITIONS: An **artist booth*** is defined as a space where the vendor is **actively engaging in live demonstrations of their profession and talents—painting, creating jewelry, sketching, carving, etc.** A **business booth**** is defined as a vendor who is retailing an item or service. Though they could be retailing an art-related item, a business booth vendor **is not engaged in demonstrating the actual creation process.** For example, a vendor whose booth features pre-made jewelry and is not engaged in actually making additional product on-site is defined as a business booth. **Major corporations***** preferring to rent a booth space (vs. sponsoring the event) will be charged a minimum of \$500.

All booths are 10' x 10'; food booths are 12'x 12'. **Food vendors** must include a copy of their city permit and have appropriate insurance. Vendors are responsible for taking all related trash to provided receptacles. Failure to keep a clean one's area will seriously jeopardize participation in future Fests.
